$25,000 Blaze Destroys Home Of C. H. Merrill

One of the worst residential blazes in the history of the Atherton-Menlo Park district Tuesday night reduced to ruins the 23-room Charles H. Merrill mansion on Glenwood Ave., Atherton, and sent three firemen to Palo Alto Hospital with injuries and burns.

The rambling wooden structure, built in 1888 and once a show place, was gutted by a fire which started in the basement.

Mr. Merrill, a commissioner of the Menlo Park fire district for 20 years, and also a Sequoia High School trustee and member of the Atherton town council, said he conservatively placed the damage at $25,000. Virtually all of the Merrills' clothing was burned as were all furnishings of the second floor and attic.

Only a small amount of furniture, heirlooms and trophies on the first floor were removed from the home by firemen and neighbors.

Both Mr. and Mrs. Merrill, who are the only members of the family living there at present, were away at the time. He was staying over night in San Francisco. Mrs. Merrill was visiting friends in Woodside.

Firemen injured were:

John Huss, Northgate, Atherton, a night fireman, cinders in eyes, smoke burns on face and eyes.

Raymond L. Allen, Menlo Park regular fireman, sprained back.

Walter Johnson, Potrero Rd., night fireman, exhaustion.

CONTROVERSIAL ITEMS PUT OFF UNTIL NEXT MEETING

MENLO PARK, Apr. 24—Two important matters scheduled for consideration by Menlo Park's "new regime" city council, meeting for the first time last night, were ignored in deference to a show of efficiency in city government for the benefit of boy city officials, who last night sat with the councilmen and today nominally have taken over the reins of the city.

A letter from the Menlo Park Taxpayers' League requesting an investigation into the expenses of councilman and former Mayor James A. Cooper was at first entirely ignored.

E. M. Rankin, chairman of the advisory board of the group, however, demanded an explanation why it had been shelved, and was told by City Atty. James T. O'Keefe Jr. that "inasmuch as some of the issues involved were controversial and involved the former policies of a councilman" it was not the wish of the council to bring the matter up for consideration while the boys were sitting with the council.

AT NEXT MEETING

Mayor Joseph H. Day promised the charges which the league termed "unauthorized" expenses by former Mayor Cooper would be on the regular order of business at the next meeting of the council.

Recommendations made by the city planning commission, on motion of Councilman Bryant, were also made the special order of business at the next meeting.

The planning commission had recommended the council to take appropriate action to (1) obtain reduction in city water rates; (2) secure reduction in bay area toll telephone rates, (3) secure immediate widening of El Camino Real within the ity, or the rescinding of setback ordinances.

Another step in securing an underpass near Central School was taken when Mayor Day appointed Councilmen Henry Carroll and Bryant to meet with the Menlo Park School Board Friday evening to discuss procedure nd to decide on the exact location of such an underpass.

LIVESTOCK 'NUISANCE'

The matter of the alleged nuisance caused by pigeons, goats and cows also popped up once more, and the unusually large audience, most of them the parents and friends of the boy officials, who jammed the city hall, was told by Carroll that the "matter stood just where it always had been."

"If anyone can furnish proof of the violation of a city ordinance, all he has to do is to see the police and to swear out a complaint, and the matter will be investigated," Carroll declared, "but we must have a complaining witness before any action can be taken."

He declared that if anyone wishes to initiate an ordinance banning animals from the city limits he would "support it if it is good, and if not, I won't—as has always been my policy."

Other actions:

Adopted a resolution authorizing application be filed with the Works Progress Administration for assistance in street improvements.

Opened two bids from Towne Motor Co. of Redwood City and Shaw Motor Co. of Palo Alto for providing the city with two Ford automobiles for the police department, and referred them to Mayor Day and Police Chief Foster Andrews for recommendation.

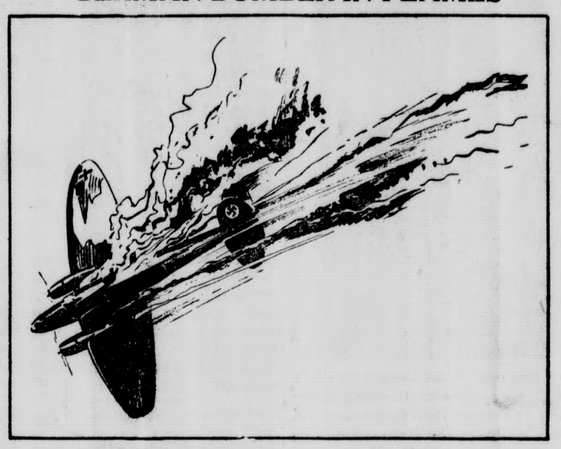
Retired Government Employe Dies Here

Following a five-month illness, Frederick W. Nichols, retired government employe who had lived in Redwood City 12 years, died Sunday at his home on Old Middlefield Rd.

Mr. Nichols, who was 69, leaves his wife, Matilda, a step-son, Harry Hibbard of Stockton, and a sister, Eva N. Dye of Los Angeles.

Indians in Canada are minors under the law.

GERMAN BOMBER IN FLAMES



A Nazi Messerschmitt Bomber goes up in flames after it is fired upon by a machine gun from the cock-pit of one of England's crack pursuit planes in an exciting sky battle photographed exactly as it happened for Alexander Korda's new film about Britain's air defenses, "The Lion Has Wings," now exclusive showing at the Redwood Theater. It's a first run on a double bill with Zane Grey's "Light of the Western Stars."

Going behind the scenes, "The Lion Has Wings" reveals how Britain's air army operates. It shows the Royal Air Force in action over the Kiel Canal, when its swift and mighty bombers recently destroyed a German battleship; it shows how a barrage of anti-aircraft batteries shot down enemy raiders and demoralized the entire attack; it shows how air espionage agents pry open the secret plans of the enemy and relay them to the air defense ministry.

Among the most dramatic scenes in the film are shown the central control room, from which all plane maneuvers are directed; the operation of a balloon system which forces enemy planes high up into the sky and prevents exact bombing positions; the munitions factories where millions of dollars are being spent for the manufacture of planes and armament.

The film is now playing at the Redwood Theater.

'Abe Lincoln' Film Coming

Notable in the annals of film production, Robert E. Sherwood's Pulitzer Prize Play, "Abe Lincoln in Illinois," comes to the screen with the distinguished actor, Raymond Massey, in the title role. This picture plays Sunday, Monday and Tuesday at the Fox Sequoia Theater.

Some three-dozen outstanding players head the supporting cast, which numbers thousands in what accredited authorities term one of the greatest motion pictures ever made. Massey plays the role, the creation of which, in the Broadway stage version, brought him nation-wide acclaim and elevation to the top rank of the theater's character delineators.

Faithfully following the stage play that took the nation by storm, "Abe Lincoln in Illinois," deals in absorbing fashion with Lincoln's amazing career between the ages of 21, when he was a gangling young backwoodsman, and of 52, when he was elected to the Presidency in the face of the impending Civil War.

For the first time in screen annals Lincoln is revealed as he really was — a moody often gloomy and, for most of his life, an undecided, hesitant figure, bitterly aware of his lack of polish and of formal education—yet fired with a burning sense of justice and humanity! It is this realism that makes the film such a notable offering.

'Open House' Values Please

"I never knew you had so many interesting things." This is a comment expressed daily by customers of local hardware stores who are co-operating in the observance of National Hardware Open House. The event will continue through Saturday, May 4.

Hundreds of men and women who have accepted the invitation to attend "Open House" have ben surprised at the values and variety of hardware merchandise of special interest to them. Kitchen ware, electric appliances, home conveniences and labor-saving devices — as well as tools for the home, garden and workshop—are on display.

Approximately 150 American manufacturers are co-operating in presenting products of exceptional merit, through the participating 10,000 hardware stores to the public.

Census Enumerators Still Working Here

Census enumerators, with many calls and "callbacks" yet to make, are still working in San Mateo County cities as well as in the rural areas, according to Thomas Crostwaite, who is in charge of the San Mateo office. He said that persons who have not yet been called on should not feel concerned; that when the count had been complete, notice would be given through the Tribune for those who have been missed to telephone census headquarters.

DEVIL'S SLIDE LIVES UP TO NAME, GIVES ROAD CREWS A MERRY TIME

Devil's Slide, a mass of variegated yellow clay and gray granite half way between Point Montara and Point San Pedro on the San Mateo County Coastside, played its most devilish trick over the weekend.

As highway crews labored to open Ocean Shore Hwy. to traffic, Devil's Slide undid their work for weeks to come. With a tremendous roar, some five thousand tons of earth swept down from the mountain, leaving not a single trace of the highway at that point.

Maintenance men were hopeful that some of the roadbed remained on the side of the cliff, buried under the granite, but to the inexperienced eye it appeared that the road had been swept down into the sea. Huge blocks of concrete among the rocks near the surf told of the extent of the damage. A twisted rail in the face of the slide was all that could be seen of the old Ocean Shore Railroad right-of-way. Devil's Slide was the nemesis of the railroad and may yet force the highway into the back country.

Meanwhile little rocks kept falling down the face of the clay banks where the road now ends, as though to remind motorists of the ever present danger from the towering bulk of Pedro Mountain above.

The California aircraft industry has been adding new employes at the rate of approximately 300 per month.

DO YOU SCNED★?

See how many of the questions below you can answer. They all involve recent important local events. Are you properly informed? Do you know what is going on in your local community? Are you keeping pace with the advancement of Redwood City and San Mateo County? After you have finished turn to page 6 and get the correct answers. Give yourself a score of 10 for each question answered correctly. How do you compare with regular Tribune subscribers who average around 80, for a score?

1. Who is the new mayor of Redwood City?
2. Who donated a valuable scientific collection to Sequoia?
3. What local industry has recently been closed by strike?
4. What local judge was recently exonerated of charges of bias and prejudice?
5. Are there more Republicans than Democrats in San Mateo County?
6. Who is the newly elected president of the local junior chamber of commerce?
7. Have Redwood City traffic accidents increased or decreased during the last year?
8. Who has considered becoming the new owner of Bay Meadows racetrack?
9. Who won the "A" Division Industrial League pennant?
10. What is the present estimated population of San Mateo County?

George F. Filbert Resigns Position In County Office

George F. Filbert, deputy county controller for the past seven years, will leave the county's employ May 1, he announced here. Filbert submitted his resignation to Controller Thomas J. Kane on Apr. 12.

Kane announced that Filbert's position will be filled by Ira Boynton, now a member of the staff. Kane explained that the promotion is being made on a seniority basis.

Filbert said he is resigning solely because of his health and his concern for the health of his mother, Mrs. Mary Filbert. He said they plan to sell their home at 712 Madison Ave., Redwood City, and move to Southern California where he intends to rest for several weeks before seeking further employment.

The chief deputy was complimented highly by both Kane and Kane's predecessor, Edward M. Stack, as an efficient employe. During Stack's term of office, when the controller was confined to his home by illness for months at a time, Filbert took charge of the office.

In May of 1938, however, he was forced to ask for a leave of absence because of ill health. Filbert offered to resign at the time but Stack insisted that his job would be open for him any time he felt well enough to return.

Filbert continued in office after the election of Kane and assisted his chief in revising the entire system of county bookkeeping.

MENLO PARK NEWS

MENLO PARK, Apr. 25.—Isabelle Weeden Lindquist, chairman of hospital entertainment, 26th district, American Legion, presented a "Scotch" program at the Veterans Administration Facility near Palo Alto Friday night.

Miss Eloise Wilcox, lyric soprano, opened the program with a group of Scotch songs. She was accompanied on the piano by Robertson Denny, pianist. Mr. Denny played his latest composition, "Western Days," and as his second number variations from popular light operas.

The San Jose Pipe Band gave 40 minutes of music, dances and songs. The band is composed of Steve Small, pipe major; Frank Small, piper; Peter Small, big drum; Frank Hird, piper; Tommy Goodwin, piper; Bill Morse, piper; Fred O'Neil, drummer; Thomas Ranstead, drummer; Jock McIntyre, leading drummer; Miss Janet Smith, highland dancer.

The many friends of William H. Weeden, who attended the good will card party given in his honor at South Palo Alto Improvement Club, will be pleased to know that the committee in charge presented him with a gold wrist watch with the proceeds from the party. Mr. Weeden is still confined to his home but he is regaining his health.

Menlo Park is experiencing a big boom in real estate. A number of deals in Stanford Park and Felton Gables this week. A large sale is soon to be reported by owners of the Flood property that will reach into four figures.

The first picnic of the season was held in the Kuck Gardens last Sunday and there will be one every week until October.

Menlo Park was "Boys' Town" Wednesday when committees from the Ravenswood, Menlo Park and St. Joseph's parochial schools took over the management of the city. Tuesday night they attended the city council and assisted the city fathers in transacting business. Floyd Perry was chosen mayor; Lawrence DeRosa, chief of police, and Robert Lencisconi, marshal. Councilman Carroll delivered the address of welcome to the youngsters telling them of responsibilities they would have to assume in life and to prepare themselves for the task. Young Mayor Perry made a very well-worded response.

Tuesday night the Charles H. Merrill home on Glenwood Ave. was destroyed by fire. The fire department arrived shortly after the blaze was noticed, but it had gotten such a headway that very little was saved of the 20-room house. Much of the valuable furniture was removed from the flames by the heroic efforts of the firemen. The origin of the conflagration was unknown. Mr. and Mrs. Merrill were out at the time and no one was in the building. In the early eighties the home was constructed by A. C. Bassett, then superintendent of the Coast Division of the Southern Pacific Co. The Bassetts occupied it for many years until it was sold to its present owner. Mr. Merrill is a fire commissioner and takes a lively interest in the department. He is also one of the trustees of Sequoia High School. The building was partly insured.

Last Saturday Archbishop J. J. Mitty and his secretary, Father Collins, were shown through the new parochial residence that is nearing completion. The archbishop was much pleased with the structure and complimented Father McKeon upon the beauty of the grounds. The building will be dedicated by the archbishop some time in May.

A large audience greeted the opening of the city council Tuesday evening. Many supposed there would be some "fire works" but there weren't. The meeting was quiet as the leaves that fall on the streams of Valombrosa. Only routine business was transacted.

City Treasurer Mrs. C. Maloney reported to the city council Tuesday evening that there was a balance of $13,732 in the treasury to be expended by the end of the fiscal year.

On Thursday eve, May 2, NDGW will hold a card party in Central School. Admission is 25 cents.

Past presidents Association No. 9 will hold their convention in Stockton. Delegates are Geraldine Brown, Catherine Derry, Grace Loverick, Mrs. Sadie Ryan and Frances Maloney.

The district meeting for San Mateo County was held in Odd Fellows Hall, Redwood City. Menlo Park had a prominent part.

District Deputy Louise Murray and Eloise Lancastchemire, Miss Victorino Booth and Kathlyn Morris put on a tableaux on Americanism which was greatly applauded.

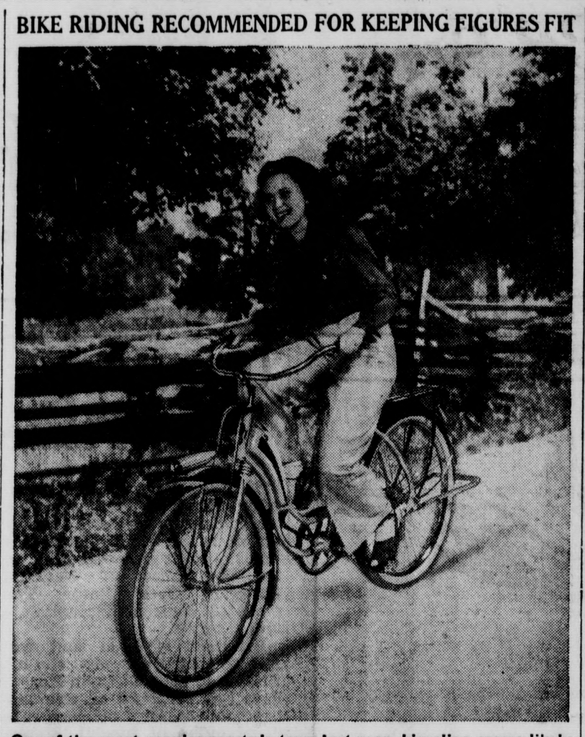
BIKE RIDING RECOMMENDED FOR KEEPING FIGURES FIT



One of the most popular sports in town last year, bicycling seems likely to be taken up even more enthusiastically this year—particularly by the young women who find it a pleasant way of keeping their figures in trim. Miss Rose Teed, who was recently called to Hollywood by Warner Brothers, is shown above on one of her regular workouts. Her bike is a Hawthorne, now on sale at Montgomery Ward. She is wearing a blue gabardine shirt with cream-colored gabardine slacks.

EXCELLENT SAFETY RECORD MADE WITH SEQUOIA BUSES

By ELAINE COWLES

"With over 2,000,000 boys and girls getting on and off the Sequoia High School buses during the past 12 years, there has never been a serious accident to any of them, a compliment to the bus personnel," states Donald L. Bogie, supervisor of the school buses.

Considering the high death rate from automobile accidents in San Mateo County, such a record is good, probably due to the best of equipment and an excellent personnell, according to Bogie.

Over a period of 12 years, an annual increase of 15,054 passengers on the school buses has taken place. This annual increase has meant an additional bus every two years, as the following statistics prove:

Bus statistics (for 12 years).

1927-28—5 buses carried 86,219 students.

1929-30—6 buses carried 115,004 students.

1931-32—7 buses carried 150,301 students.

1933-34—8 buses carried 189,133 students.

1935-36—9 buses carried 199,986 students.

1937-38—10 buses carried 222,905 students.

1938-39—10 buses carried 251,815 students.

One full-time mechanic and a part-time assistant make up the mechanic crew.

"There are 13 drivers, who are all married men with good habits and excellent driving records," said Bogie.

Those who have been driving buses for five or more years are A. M. Guthbertson, 17 years; A. O. Carleton, 13 years; Albert J. Terremere Jr., eight years; Albert Esneault and John R. Isaac, seven years; and Frank Goldthwaite, five years.

Seven men have been driving for four or less years. These are George Brown and Robert Poole, both four years; Clyde Devine and R. H. Carney three years; Howard E. Warner, two years, and Louis Folsom and Luke Argilla, one year.

Decision Rejecting Demurrer Affirmed

Judge Maxwell McNutt Monday refused to reverse his decision overruling Mrs. Kate K. Keough's demurrer to the amended divorce complaint of her husband, Elmer J. Keough, Burlingame automobile dealer.

Frank V. Kington, counsel for Mrs. Keough, said he will file an amended cross complaint eliminating objectionable allegations. He said that an appeal to the supreme court for a review of Judge McNutt's rulings, filed before he became associated in the case, will be allowed to lapse.

'Blitzkrieg' Puts Stanford P. O. Under Nazi Flag

STANFORD UNIVERSITY, Apr. 23—It must have looked like another Nazi Blitzkrieg to a very few early morning risers who passed by the Stanford post office shortly after dawn today.

For, flying on the front of the building was a rather hastily-manufactured black, red and white Nazi swastika flag.

Campus Officer Gordon Davis laughingly passed it off as "just another of those jokes we have to tolerate" from the Stanford wags. He said some college prankster evidently had tacked the flag on the front of the campus postoffice some time after midnight.

The flag was sighted by campus watchman working the 12 midnight to 8 a. m. shift and was removed from the building.

MASHING BANANAS

When a recipe calls for "mashed bananas," this is the way to do it: Peel the bananas, press the pulp through a wide-meshed strainer. Beat up the pulp and measure the required amount.

Attempt To 'Flood' County Jail Made

Because she attempted to flood the county jail following her arrest Sunday, Mrs. Frances Sellers, 39, South San Francisco housewife, was required to post $50 bail before she was released. She was arrested by State Highway Patrolman Elmer Grandy, who said he found her walking north on El Camino Real near South San Francisco in an intoxicated condition.

He booked her at the county jail and shortly thereafter came the deluge. Water poured from the second story, ruining papers and damaging furniture in the downstairs jail offices. The jailers found she had plugged the plumbing fixtures with paper and had turned the water on full force.

Allowances Granted From Howard Estate

The half-million dollar estate of Miss Maude Howard, 74, today gave up allowances of $700 monthly for her maintenance, and $250 monthly for the support of her brother, Shafter Howard, 77, of Santa Barbara. Both allowances were granted by Judge Maxwell McNutt.

Silver, as a medium of payment in China, dates back 5000 years.

PENNEY'S
J. C. PENNEY COMPANY, Incorporated

...s New Cars

Traffic between the Peninsula and the Golden Gate Bridge hummed today over a new divided highway on 19th Ave. through San Francisco, Golden Gate Park, and the Presidio, following dedication ceremonies held Sunday afternoon before a disappointingly small crowd.

Thanks to a Redwood City delegation of citizens in a score of automobiles, the "south-of-San Francisco" or Mission Trails area was represented with a fair showing. But altogether only 27 automobiles in the motorcade lined up south of the stand where the half-hour dedication rites were held. The Redwood City cars, carrying stickers reading "Redwood City—Climate Best by Government Test," were the only ones carrying identifying signs.

There were but 52 automobiles which rolled in from the north to join in a significant ceremony commemorating completion of the road, a link in a Canada-to-Mexico route.

It had been expected hundreds of machines full of motorists would attend. Redwood City Chamber of Commerce officials had hoped to have 50 or more cars in the motorcade. Burlingame Chamber of Commerce had reported it might have a hundred, but Pres. Daniel O'Connell appeared to be rather lonely at the ceremonies.

One automobile did come from San Luis Obispo; another from Sunnyvale, and apparently some others from other cities in the Mission Trails area. After leaving Redwood City at 1:30 and detouring through Burlingame, they were met in San Francisco by a police escort, which after the ceremonies led the entire group to the Funston Ave. approach to the Golden Gate Bridge, where dedication rites had been held at 1:30.

Altogether probably not more than 500 persons witnessed the dedication ceremonies.

M. P. Woman Escapes Jail by Court Writ

Free on $100 bail on a habeas corpus proceeding, Mrs. Jeanne Blache had until May 13 today to try to remember where she buried $15,000 on her Menlo Park estate.

Mrs. Blache was ordered to jail on Monday by Superior Judge T. L. Harris in San Francisco, but before she arrived at city prison, her counsel, Atty. E. J. Lynch, had secured the habeas corpus writ, returnable May 13.

The "lost" money is involved in a separate maintenance suit filed by Mrs. Anne Blache, first wife of Maurice Blache, a film technician who lives in Menlo Park. Mrs. Jeanne Blache told the court she had taken the money from the couple's joint account and buried it when the suit was filed. She first was given five days to remember where she had put it, then another five. When she still couldn't remember yesterday, she was ordered to jail for contempt of court, Judge Harris explaining that "People just don't forget what they did with such a large sum of money."

July 4 Celebration

The Whiskerino Is Under Way!

* * * * * * * * * * * * * * * * * *

1940 'SMOOTH PUSSES' GIVEN WARNING OF PENALTIES

Bang! Boom! or Zowie!

Redwood City's whiskerino is open.

Just like that, without further notice, City Recreation Director Alfred Morton startled all "smooth pusses" into action Monday when he made the announcement that the long-awaited 1940 whisker contest is under way.

Reason for the surprise announcement is that officials of the coming July 4 celebration wanted everyone to have an even start. Had it been announced last week that today would mark the start of the contest, some might have "forgotten" to shave over the weekend, see?

To make doubly sure, however, that all contestants get an even start, all must register, and have a "smooth puss when they do so. They can register either at the city recreation office, in the old library building on Broadway at Jefferson Ave., or at Oleson & Son's sales rooms, 948 Main St.

Those who don't have a good crop of whiskers in two months will find themselves subject to disciplinary action by a Kangaroo Court, to be established June 22. "Judge" Ole Oleson and "Sheriff" Sanford Ratliff will be in charge. After paying fines to be assessed by the "court," "smooth pusses" will be given a "badge of degradation" to inform the public they are July 4 Celebration Smooth Pusses. Fines will go into the Recreation Center Building Fund.

The whiskerino will end July 3 at the Queen's Ball in Foresters' Hall. Judges of the crops of whiskers will be "hairy" men themselves — Harry Miller and Harry Kennedy, local hair cutters. (And make more out of that if you can).

Suitable prizes will be given winners in the contest.

All entrants this year must be residents of Redwood City proper, Recreation Director Morton said.

Boyer Transferred By Shell Oil Co.

Transfer to Santa Cruz of A. R. Boyer of Palo Alto, manager of the Peninsula district of the Shell Oil Co., with offices in Redwood City, was announced here. Boyer, with his family, will leave at once for Santa Cruz. He has been here almost four years. He belongs to the Redwood City Exchange Club.

Transferred to this district to take Boyer's place is C. L. Corcoran, who for the past five years has been division manager in Honolulu. He is expected to arrive here by May 15. In the meantime, the local office will be in charge of Ray Moore, salesman.

Trade your old car in on a newer one. See Tribune Want Ads.

George Grue Dies Of Heart Attack

Stricken with a heart attack at 1:30 a.m. George Clayton Grue, 38-year-old head plumber at Palo Alto Hospital who had never before been ill, passed away at 2 o'clock Wednesday at his home on Seventh Ave., North Fair Oaks, where he had lived for the past five years.

Mr. Grue was the husband of Carrie L. Grue and father of Marion Anne Grue, student at San Mateo Junior College. His parents, Mr. and Mrs. Linton Grue, live at Fresno, as does a sister, Mrs. Irma Noel. He was a native of Michigan.

Funeral services will be conducted Friday at 2 p.m. at the Franklin & Crowe Mortuary, Redwood City, with the Rev. J. E. Marozik officiating. Burial will be in Alta Mesa Cemetery.

Maloney-Steele Rites Performed in Reno

George Stanley Maloney of San Francisco, former resident of Redwood City, where he was well-known as a tennis player, and Margaret F. Steele, daughter of Mr. and Mrs. W. I. Steele, 44 Duane St., Redwood City, were married Saturday in Reno, Nev., according to press dispatches.

Miss Steele, also a tennis player, won the last women's singles city tennis championship here. She is a graduate of Sequoia High School and has been attending University of California. The couple plan to live in San Francisco. Maloney, now an employe of the State Division of Narcotics, was divorced in Carson City, Nev., by Helen L. Maloney in February.

DENTAL PLATES

THE BEAUTIFUL
Transparent Dental Plate Materials
for their NATURAL APPEARANCE *and Beauty*

Praised by so many dentists for their lifelike appearance and as being nearer to nature's own tissue than many materials formerly used, the layman may well be guided by the profession's enthusiastic endorsement. The use of these beautiful materials, coupled with the careful setting of the teeth to suit each individual case, make it possible to achieve results that should remove dread of wearing dental plates.

Upside Down Cake Recipe

MAPLEINE
UPSIDE DOWN CAKE

There's nothing new under the sun, but there are tricks to use that will lend a newness to food and make appetites sing. For instance, Upside Down Cake is still a popular treat, but if you're tired of the "same old thing," try it in this new guise—flavored with mapleine. You'll find mapleine adds intrigue, and Upside Down Cake will be a leader on your list of favorite desserts.

¼ cup shortening
¾ cup sugar
1 egg, beaten well
1½ cups flour (sifted)
½ teaspoon salt
2 teaspoons baking powder
½ cup milk or pineapple juice
4 tablespoons butter
1 cup brown sugar
¼ teaspoon Mapleine
1 No. 2 can drained sliced pineapple

Cream the shortening and sugar and add the egg. Sift flour, salt and baking powder together and add the milk or fruit juice alternately with dry ingredients to sugar mixture. Beat until smooth. Combine the butter, brown sugar, Mapleine and bring to a bubble in a heavy skillet or bake pan. Remove from fire. Add the pineapple slices, spreading them over brown sugar mixture. Pour batter evenly all over the fruit. Bake about 30 minutes at 350°F. While hot turn out of pan on serving plate. Serve hot or cold with or without whipped cream. Nuts and maraschino cherries added to sugar mixture make an attractive garnish.

CSF Delegates Set Trip to St. Mary's

Accompanied by their adviser, Miss Mary Cowden, 12 delegates of Sequoia High School will participate in the Spring council of the California Scholarship Federation at St. Mary's College Saturday.

Sequoia contestants will enter the girls and boys' oratorical and literary championships.

More than 500 honor students and moderators will attend from 44 schools in the bay region. CSF is the Phi Beta Kappa of the state's public and private high schools.

Gilmore Is Called Back Into Court On Wife's Action

The Ladymay vs. Don Gilmore divorce case witnessed a strange revival in superior court here when Judge A. R. Cotton ordered Gilmore, San Francisco automobile dealer, to appear on an order to show cause.

Ladymay Gilmore, former Hillsborough socialite and now a resident of Los Angeles, asks that Gilmore be required to pay an attorney to defend her from the suit of another attorney.

The Gilmores were divorced in November, 1938, and the decree became final a year later.

In May, 1939, Mrs. Gilmore's petition states, she first had difficulties with her husband and filed a suit for separate maintenance and support. Their differences were reconciled, and Gilmore agreed to pay her attorney, Russell Shearer, $250 for his services, she claims. Gilmore failed to pay. Subsequently the divorce action was filed and consummated.

Shearer, she reports, has filed suit in Los Angeles municipal court for a $500 fee plus $116 court costs. She pleads that she is without funds to defend the action unless she uses some of the $450 alimony and maintenance allowance awarded her and her son, Don Jr., by the San Mateo County court. She asks, therefore, that Gilmore be required to pay her attorney, Courtney L. Moore, a reasonable fee for defending her against Shearer's action. Gilmore is also a defendant in the Shearer case.

Judge Cotton ordered Gilmore, who since remarried, to appear Monday at 10 a.m.

New Moose Officers Installed by Groce

Officers were installed by Past Gov. Frank Groce for Loyal Order of Moose No. 1112 Tuesday evening at Moose Hall. They are Walter Hedlund, governor; H. C. Painter, past junior governor; Darrell Davis, junior governor; Phillip Demma, prelate; William A. Leslie, treasurer; O. W. Neikirk, secretary; Frank Matos, sergeant-at-arms, and W. L. Parnow, inner guard.

ONE-ACT PLAYS SLATED FOR MAY 30

May 29 has been selected by the Redwood City Community Players as the date for public presentation of two one-act plays and a group of novelty numbers.

In addition to the players' program, there will be displays in the auditorium of the work of the night school classes.

Purpose of the program is to acquaint the community with the opportunity provided for pleasure and advancement by the Little Theater group and other adult classes.

The two one-act plays, "Lawd Does You Understan'?" and "One Hundred Pounds Reward" were chosen because they were enthusiastically received by small audiences in the Little Theater. "One Hundred Pounds Reward" is rollicking comedy in Irish dialect. 'Lawd Does You Understan'?" is equally entertaining, but in a more serious plane. It will be highlighted by the singing of "Lonesome Road" by Melvin Cochran.

Bertha Potts will play Aunt Doady in "Lawd Does You Understan'?" she will be supported by Margaret Noland, Ralph Balanesi, Melvin Cochran, George Rusch, Viola Perttula, Milton Abbott, Beatrice Maranta, Marie Perttula, Alfred Newman, Jacquelyn Rusch, and Jack Thomas. Jack O'Keefe, Melvin Cochran, Frank Thompson, and Barbara Ross are the members of the cast of "One Hundred Pounds Reward."

Cooperative grasshopper control campaigns by Federal, state and county governments, have saved Texas farmers $29,017,920 in 25 years.

Free rides on the Eagles' ferry boat trip to Treasure Island June 2 will be given to all entrants in Redwood City's coming queen contest who have qualified by May 15, Queen Contest Chairman William M. Werder announced today.

Werder said that while no entries had as yet been received, four organizations have agreed to sponsor girls in the contest. They are the Lions, Kiwanis and Exchange service clubs and the Eagles lodge.

Any girl may enter the contest by selling 15 tickets to the July 3 Queen's Ball, where the winner will be crowned. Dance tickets will be available for the contestants Monday at the Recreation Building, 2101 Broadway, from 11 a.m. till 5 p.m. any day except Saturday and Sunday. Or, they may be obtained from City Recreation Director Alfred Morton, who will deliver them if he is telephoned at Redwood 123.

The winner of the contest will reign over the July 4 celebration and other events of a civic nature.

Girls who enter the queen contest will be judged solely on three points: Beauty, personality and poise. There will be no merchandise coupons or anything else to sell, according to Contest Chairman Werder.

Contestants immediately upon entering the race should make an appointment at the Camera Art Studio, 833 Main St., Redwood City, to have their photograph taken. There will be no charge or obligation for this.

The wettest spot in Alaska is Little Port Walter. In 1938, it had the all-time, all-Alaska high of 264.53 inches of rainfall. Last year 255.23 inches fell there.

350-Acre Area Near La Honda Purchased

W. C. Thompson, Santa Cruz subdivider and builder, has purchased more than 350 acres of land southeast of La Honda for possible future development for a summer cabin colony. The land, bordering San Gregorio and Alpine Creeks, extends to the top of the Haskins Hill ridge. Thompson and his wife, Opal Fern Thompson, acquired the land for $25,000, according to a deed recorded at request of San Mateo County Title Co. The broker was A. T. Davinroy of Redwood City.

Bel Canto Chorus Sets Concert May 14

Bel Canto Chorus of Redwood City has announced its second annual Spring concert would be held Tuesday, May 14, at Sequoia High School auditorium. The 80-voice chorus, directed by Eugene Fulton, has been preparing the concert for five months. It will offer a strictly choral program without instrumental accompaniment.

The chorus, which ranked high in official competition at Treasure Island last year, will perform at the "Forty Fair." The Bel Canto will broadcast over a national hookup from Treasure Island and has been requested to give a concert at California Auditorium.

DOG POISONER AT LARGE

SAN CARLOS, Apr. 25—Police today issued a warning that a dog poisoner is at large in the city. One dog was killed last week, two more were poisoned yesterday. One of the animals was saved by prompt treatment at the San Carlos Pet Hospital. The other died on arrival. In all three cases strychnine was the poison.

The Bahama Islands number 20, some of them uninhabited.

Penaat To Head Club Federation

SAN CARLOS, Apr. 23—William Penaat was elected chairman of the new Federation of Clubs when 20 members held their third meeting last night.

Mrs. T. F. Miller was elected woman's vice chairman; E. D. Moyles, men's vice chairman, and Mrs. Ada Whetstone, secretary and treasurer.

The declaration of purposes and rules as previously published were adopted.

Speeding provided the main topic of discussion. An investigation committee was appointed to consist of Jesse N. Davis, Mrs. Elta Nielsen and Beryl Jackson. Police Chief Edward J. Wheeler will be invited to discuss the subject at the next meeting.

Other committees appointed were: P. G. & E. agency, Mrs Arthur C. Adams, Fred Drake, Jesse N. Davis; dedication of recreation center, to co-operate with recreation commission, John Rutherdale; fair participation, Arthur N. Gamble.

Each organization will be asked to contribute $1 a year for incidental expenses. Next meeting will be held June 24.

New Residential Subdivision Slated

A residential development for Redwood City which will result in more than $100,000 worth of new homes being constructed was announced here by Harry Hoefler, local real estate broker.

Hoefler said that 30 lots just off Woodside Rd. on Murray and Central Aves. had been purchased by Lawrence H. Smith, San Carlos builder, who will start immediately construction of homes in a price range around $3500. Two houses will be begun within the next two weeks. His schedule calls for two or more homes to be started each week thereafter, Hoefler said.

Recreation Group Names Forbes Head

SAN CARLOS, Apr. 24—San Carlos' new parks and recreation committee was formally organized last night, with George E. Forbes being named as chairman, George C. Hallawell, vice chairman, and Mrs. Ivor Sharp, secretary. John Rutherdale was appointed as a committee of one to handle requests for use of the recreation center. Mrs. Robert B. Barnes was named to handle publicity. It was decided to ask the city council to indorse a requisition for WPA recreation supervision, and dedication of the park.

New Gasoline Subject of Ads

W. T. Dinkins, vice president in charge of sales for Richfield Oil Corp., announces his company will introduce a new and

W. T. DINKINS

perfected gasoline with one of the most spectacular advertising campaigns ever released by Richfield.

"This new gasoline is the finest ever refined by Richfield and this story will be told to the motorists of the entire West through newspaper advertisements, billboards, radio and magazines," Dinkins states.

He further stated that since it was impossible to test the new gasoline in each motorist's car against other fuels of their choice, Richfield had made tests in the cars of two score of the best known celebrites in the motion picture industry. The proof of these performance tests and the subsequent indorsement by motion picture stars forms the theme of Richfield's campaign.

Sam Hanners Hurt When Hit by Auto

Sam Hanners, 17, Sequoia High School student and familiar Redwood City newsboy, was taken to the hospital Wednesday for observation of a possible cranial injury suffered when his bicycle collided with an automobile on Broadway near El Camino Real shortly after noon.

Driver of the automobile was Myles A. Gilmer, 16, Lemon Ave., Menlo Park, a Sequoia student. Police Officer Henry Mengel, who witnessed the accident, said Gilmer and five other boys were driving slowly east on Broadway when Hanners suddenly swerved his bicycle in front of the car. Gilmer stopped immediately.

Hanners, son of Clifford W. Hanners of 526 Chestnut St. and a brother of Orville Hanners former Santa Clara University football star, was treated for an injured right shoulder and cuts and bruises before being sent to the hospital for observation for the head injury.

Rabid Cat Attacks Emerald Lake Dog

When a stray Persian cat attacked her Irish setter Friday, Mrs. P. L. Potter of Lakeview Way, Emerald Lake, suspected something was wrong. She separated the two animals once, but when the cat returned a second time and again attacked the dog, it became the victim of its own false courage.

Investigation by the San Mateo County Health Department here showed the cat was a victim of rabies. The dog was ordered to the San Carlos Pet Hospital, where it is undergoing Pasteur treatments. Mrs. Potter was referred to her physician.

HOME ARTS TAUGHT AT SEQUOIA

Practical instruction in homemaking is given students at Sequoia High School, as seen in these photos by Sonau Ishida, a Sequoia student. Top photo shows (left to right) Frances Shoote, Gala Laughlin and Donna Neil preparing a dish in Instructor Dorothy Gaskill's cooking class. Lower picture shows three members of Instructor Mildred Proctor's sewing class. Left to right are Patsy Dolan, Beverly Paladini and Meredith Bryan.

Many Exhibits Are Arranged

The grand opening number tonight when Sequoia High School has its Citizens' Night will be a fashion show presented by members of the sewing classes.

The presentation will be under the direction of Miss Marion Hosmer and Miss Marjorie Landers, with musical numbers by a choral group under Otis M. Carrington.

Following this entertainment parents will be able to see exhibits and demonstrations in nearly every room in the building.

FLOWERS, PLANTS SHOWN

Parents will be interested in a novel class—the home gardening group—where they may see potted plants, shrubs, drawings, maps and other projects. At certain times students will demonstrate greenhouse techniques. Work will be done under the eye of Instructor Carl Mahurin.

The foreign language classes will offer their bit. Their show will include French posters, costumed dolls and souvenirs collected by Miss Helen Clark on trips to France.

There will be more posters and projects in the Spanish classes. Several of the pupils will dress in costume and sing Spanish songs.

U. S. HISTORY DISPLAY

Coming back to America, interested parents may visit the United States history class were Fred Gatchel's group will display a collection of maps, charts, pictures, graphs and other types of historical material.

Or if it's art work you like, there will be plenty to see in Room 19. Students of Mrs. Bertha White will display mural work, including a piece depicting the history of El Camino Real. The commercial art class, under Byron Nevilier, will display posters, copper work, and other articles.

Included in the room exhibits at Sequoia will be displays put on by the night school, under the supervision of S. S. Mayo, adult education director.

INFORMATION OFFERED

There will be an open house class in citizenship in Room 7B. The teacher in charge will be Mrs. Eleanor Faure. There are four such classes taught at the Sequoia night school and two at the Menlo Park Central School. The class will be in session from 7:30 to 9:30 p.m.

In accordance with a new development in apprenticeship training, three classes will give special exhibits in painting, carpentry and sheetmetal work. Under the teaching of Jack Sommerville visitors may see that class in action. Displays will be on hand supervised by Instructors Arthur Payne and Robert Poole in the carpentry and sheetmetal classes, respectively.

Superintendent Mayo will be in his office to interview visitors seeking further information on the night school.

Exchangites Slate Dance on May 4th

Final plans for a supper dance to be held May 4 at Crystal Springs Golf Club were made by Redwood City Exchangites Monday night at a session at which a film, "On Guard," was shown and a talk given by Mel Rucker, travelling commercial agent for the Railway Express Co., describing methods of packing products to assure safety in shipping.

The dance, which will be a costume affair, is being planned by a committee composed of Clement R. Baume, Dr. W. B. Langston, Lloyd W. O'Donnell, F. Edmund O'Connell and Ernest Hoffman Jr. Dancing will begin at 9 p. m., Chairman Baume told the club.

Resignations of Kenneth W. Van Gundy, recently transferred to San Jose, and A. R. Boyer, transferred to Santa Cruz, were accepted.

The film shown by Rucker is sponsored by the Shippers Advisory Board, an association of railroads and express agencies. S. W. Wells, local express agent, accompanied Rucker to the meeting.

New York City has 403 public playgrounds.

Mrs. Regina Hess, R. C. Resident For Half Century, Dies

A month to the day after the death of her son, Mrs. Regina Hess, 76, succumbed to a long illness Tuesday at her home, 432 Middlefield Rd. She had been a resident of Redwood City 53 years and was the widow of the late Arnold E. Hess, who died in April, 1934. Mr. Hess was the founder of Hess & Co., road builders and predecessors to the Redwood Materials Co.

Her son, Arnold J. Hess, 48, died Mar. 23.

Mrs. Hess was the mother of Mrs. Marie J. Buschke of Redwood City and Mrs. Aloise McPhee of Burlingame. She was the grandmother of Arnold, Marie, and Regina Jansing, and of George and Philip Wallace.

The deceased, a native of Switzerland, was a member of the Gen. George S. Evans Woman's Relief Corps.

Funeral services will be conducted at 9:30 a.m. Saturday at the Layng & Tinney Funeral Home, followed by requiem mass at Mt. Carmel Catholic Church and entombment at Holy Cross Cemetery, Lawndale. Members of the family request that friends not call at the mortuary until Thursday afternoon.

RAIN IS BENEFICIAL

Rains which swept San Mateo County today were a blessing to agriculture, according to Agricultural Commissioner Max J. Leonard. The precipitation was especially beneficial to sugar beets, sprouts, and peas, he said. No damage whatever was reported.

Sixty per cent of Canada's rich fur crop comes from trapped wild animals, the remainder from fur farms.

Emer... Of Fi...hem Direct!

...FED

Residents of Emerald L... were notified by County Fire Warden Bert L. Werder today that William Woene, former deputy, has resigned from the county service. Werder requested that all fire alarms and requests for fire permits be handled directly through the Redwood City office (telephones R. C. 2180 or 651).

Tribune subscribers are given complete coverage of CITY, COUNTY, STATE, NATIONAL, and WORLD WIDE NEWS. We are a member of the Associated Press, the largest press service in the world. The Tribune serves all the wants of the reader for ALL types of news plus complete coverage of all local events and community happenings. So, consequently when a little Quiz such as the one above appears the Tribune subscribers rate very high, as they have been constantly informed of the local news. And the only way to get this local news is to be a regular subscriber of the Tribune. Another fine Feature is our Serial Story which if bought in book form would cost from 2 to 3 dollars. Also see our money saving advertisements which run throughout each week. The Tribune is consistently so chuck-full of fine features that one person who recently subscribed said, after a short period of delivery, "How can you publish a paper so full of news, advertisements, and features for only 65c per month?" Our only answer to that was the number of people who depend upon us solely as a news and advertising source, makes it necessary and possible to give them all the features, news, and advertising at such a small cost. Phone Redwood 2000 and give the clerk your name and address today. We will start delivery that night and give you courteous, prompt service.
